

Decontamination Certificate

The fully completed decontamination declaration is a prerequisite for the acceptance and further processing of your service. If your shipment is not accompanied with this declaration, processing will be delayed until receipt of your decontamination certificate.

Laboratory bio safety level

Please specify the bio safety level of the laboratory where the device was used:

1 2 3 4

I hereby confirm that:

- The device(s) or product(s) mentioned above has/have not been in contact with hazardous substances or human pathogens.
- The device(s) or product(s) mentioned above has/have been in contact with hazardous substances.
- The device(s) or product(s) mentioned above has/have been in contact with human pathogens, e.g. SARS-CoV-2.

Description of the nature of contamination and measures for decontamination:

- We hereby declare that the objects to be serviced have been carefully cleaned and decontaminated with proven and effective disinfectants prior to shipment. All objects (instruments and all other objects sent to service) are free of harmful chemicals, infectious or radioactive substances, as well as health-threatening proteins, DNA or bacteriological contamination. All listed devices are safe to handle and ship.
